Fiscal Analysis

ASSUMPTIONS:

Department of Transportation

1. Carriers who would be eligible to purchase the term permits may continue to purchase single-trip overweight permits or may purchase the term permit.
2. The number of carriers who would elect to purchase the term permit cannot be determined, and therefore any impact on the Highway State Special Revenue fund cannot be determined.
3. There would be some system modification costs in order to add the new term permit. These costs would be absorbed within the existing budget.
